Subject: RE: New LLCs creation - credit card info

Please use this credit card for GreenMind, LLC. I will then get a bank account that I can use to conduct business, including sending you weekly payments, until we get the new bk filings in place. If I don't get a new bank account under a new entity name, I will have no place to get the Earth.com revenue deposited, and that's how I pay all of the bills to you and everyone else to keep the engines running as the basis for the reorg plan.

How much will it cost?
